FD&FA BS5839-1 RQF CERTIFIED 5-DAY COMBINED COURSE

Ember Compliance is delighted to offer a new FD&FA BS5839-1 RQF Certified 5-Day Combined Course which encompasses all our FD&FA courses from Introduction to Maintenance complete with RQF Exam at the end of the week.

At the end of the 5 days, Learners will attain an RQF Award in the requirements of FD&FA systems for non-domestic buildings BS 5839-1: 2017.

Details of the course are as follows:

Module 1: Introduction to BS 5839-1
Learners are introduced to the requirements of BS 5839-1. This module includes basic principles of fire safety and an introduction to FD&FA systems requirements within the boundaries of the various legal frameworks within the UK.

Module 2: Design -BS 5839-1
In this module, emphasis is placed on the process of fire alarm design, enquiry, survey, design, certification and the appropriate recording and documentation requirements.

Module 3: Installation -BS 5839-1
This module explores compliance with the standard and how the installer may deal with issues not known to the designer during the installation.

Module 4: Commissioning - BS 5839-1
This module explores the process of commissioning, the requirements of testing and inspecting a newly installed system and how the commissioner may deal with issues not known to the designer and/or non-conformities with the standard.

Module 5: Maintenance - BS 5839-1
This module explores the process of maintenance, the requirements of inspection & servicing existing systems and how the maintainer may deal with non-conformities with the standard.

Exam - L3 Award in the Requirements of FD&FA Systems for Non-Domestic Buildings BS 5839-1: 2017
The RQF examination allows learners to demonstrate knowledge of BS 5839-1: 2017 as part of competence in the design, installation, commissioning, and maintenance of FD&FA systems. Learners will demonstrate knowledge gained within our previous modules and industry experience.

The first course will be running on 20th-24th February 2023 and costs £895pp (discounted rate for EC support service clients). Spaces for this course are limited so to book your place now use the link above or call us on 0330 555 3319.

We look forward to seeing you there!
